Selling Point

Cotto Extra-chrome plating technology provides a mirror-like shine and highly-durable surface.
Detail-oriented engineering gives a perfect minimal stylistic appearance by concealed every installation part including a water aerator.
Italian made 'Smooth Cartridge' delivers entire smoothness to every use for a product's lifetime.
Air-infused water aerator has been integrated to save the water usage and smoothen the outflow
COTTO world-class production standard ensures that every component of an intricate design under Oval Collection are made and assembled perfectly.
